2019 Fire Instructor Level I: NFPA 1041

Presented by Barnstable County Fire Academy Staff with guest lecturer Chief Joe Guarnera

Quality training is an essential component of safe and successful firefighting and rescue operations. The knowledge and ability of the instructor delivering the training has a direct impact on the quality and success of the class.

2019 Dates:
September 19, September 26, October 3, October 10 and October 17

Course Outline:
This 5 Day, 40 Hour training course provides students with the knowledge and skills required for preparing small segments of instructional material, and delivery of instruction from prepared material. Individual presentations and written examinations will be graded. 100% classroom attendance is required.

This course meets the job performance requirements in the NFPA Standard 1041 Fire Service Instructor Professional Qualifications for Fire Instructor 1.

Prerequisite Training:
All students must have completed training in Firefighter I/II training subjects prior to participating in this training course.

This course satisfies one of the requirements for becoming a Barnstable County Fire and Rescue Training Academy Instructor. It provides training to the requirements of NFPA 1041 – Fire Instructor Level 1. A written exam to become certified by the Massachusetts Fire Training Council as a Fire Instructor I will be conducted the last day of class. Further information will be provided the first day of class.

Upon completion of this training, the student will be able to:
- Deliver Instruction from prepared material
- Assemble/Prepare small segments of training
- Formulate a Standard Operating Procedure for their organization

Book:
Fire and Emergency Services Instructor 8th edition by IFSTA.
